

INCANTO becomes PETRATO

From the 2021 vintage, Tenuta Scerscé's Sassella Valtellina Superiore DOCG will change its name in **Petrato**.

“A name apt to trace its genesis, describe its character, declare its strength.”

The vineyards of the Sassella area sink their roots into a hard, stony soil - *petrato* - like the stubborn temperament of those who have cultivated it over the centuries.

*Generated by vines torn from the mountain,
born on the stone, from the stone.*
